Document Status: This is a controlled record as are the document(s) to which it relates. Whilst all or any part of it may be printed, the electronic version maintained in P&P-File remains the controlled master copy. Any printed copies are not controlled nor substantive.
1. Introduction

1.1 The Fit and Proper Person policy outlines the commitment of the London Ambulance Service NHS Trust (‘the Trust’) to ensuring that all persons appointed as directors satisfy the requirements set out in the Health and Social Care Act 2008 (Regulated Activities) Regulations 2014 (‘the Regulated Activity Regulations’). The Trust has responsibility to ensure these requirements are met and the Care Quality Commission (CQC) role is to monitor and assess how well this responsibility is discharged.

1.2 There is an expectation that senior leaders will set the tone and culture of the organisation, which leads to staff adopting a caring and compassionate attitude and adds weight to the importance of the Fit and Proper Person requirements.

2. Scope

2.1 The Trust confirms that the following roles fall within the scope of the relevant provisions of the Regulated Activity Regulations:

- Trust Chair
- All Non-Executive and Associate Non-Executive Directors
- Chief Executive
- Director of Finance and Performance
- Medical Director
- Chief Quality Officer
- Director of Operations
- Director of Corporate Governance/Trust Secretary
- Director of Transformation and Strategy
- Director of Workforce and Organisational Development
- Director of Strategic Communications
- Director of Performance
- Any other board member (regardless of voting rights) not listed above
- Any other person who performs the functions of, or functions equivalent or similar to, those of a director.

2.2 The individual falls under the requirements of the Regulated Activity Regulations regardless of whether they undertake the above role via a temporary, secondment or interim basis. The individual does not have to be an employee of the Trust to fall within the scope of this policy.

3. Objectives

3.1 Under the Requirements, the Trust must not appoint to a post under the scope of the Regulated Activity Regulations without first satisfying itself that the individual:

- Is of good character
- Has the necessary qualifications, competence, skills and experience
• Has the appropriate level of physical and mental fitness
• Has not been party to any serious misconduct or mismanagement (whether unlawful or not) in the course of carrying out a regulated activity
• Is not deemed unfit under the Regulated Activity Regulations’ provisions
• Can provide the personal information as set out in the Regulations which must be available to be supplied to the CQC when required.

3.2 These requirements must be held at the point of commencing the role and on an ongoing basis.

3.3 The CQC’s definition of ‘good character’ is not the objective test of having no criminal convictions but rather a judgement to be made as to whether a person’s character is such that they can be relied upon to do the right thing under all circumstances. The Trust will use its discretion in reaching a decision regarding character.

3.4 The Trust has no discretion in relation to the requirement that the individual is not deemed unfit under the Regulated Activity Regulations and such individual is automatically prevented from holding any of the positions listed under paragraph 2 above.

3.5 In the event that an individual ceases to be a fit and proper person, the individual may be summarily dismissed and the Trust will notify the individual and the Trust’s regulator.

3.6 Appendix 1 provides information on what constitutes a fit and proper person under the Regulated Activity Regulations.

3.7 Appendix 2 contains the self-declaration form which all directors and director-equivalents will be required to fill out.

4. Responsibilities

4.1 Trust Chair
• To take overall responsibility and accountability for ensuring all those required to confirm that they meet the requirements of the Regulated Activity Regulations do so at appointment and as an ongoing requirement.

4.2 Those within the scope of the Fit and Proper Person requirement
• To hold and maintain suitability for the role they are undertaking
• To respond to any requests of evidence of their ongoing suitability
• To disclose any issues which may call into question their suitability for the role they are undertaking.

4.3 Trust Secretary
• In conjunction with the Workforce and Organisational Development directorate to ensure all appointment checks (as outlined in Appendix 2) are undertaken for Directors and ensure the results are recorded and evidenced within the individual’s file
• To liaise with the appointments team of NHS Improvement on appointment of the Chair and Non-Executive Directors to the Trust
• In conjunction with the Workforce and Organisational Development directorate to undertake an annual refresh of suitability (as outlined in Appendix 2) for all Directors.

4.4 Procurement

• To ensure all agencies/candidate providers understand their responsibilities and comply with the requirements of this policy.
• The requirements of this policy must be communicated to any prospective agency/candidate provider prior to their engagement.

4.6 Agency Providers

• To ensure the necessary checks have been outlined in this policy and make those checks available as and when required.

5. Compliance at the point of recruitment

5.1 The Trust has robust policies in place with regard to the appointment of directors, including:

• Confirming the status of specific qualifications as outlined within the relevant job description/person specification
• Identity checks
• Qualification and registration checks
• Right to work checks
• Disclosure and Barring Service (DBS) checks
• References (covering at least three years of employment, one of which must be from the current/most recent employer)
• Search of insolvency and bankruptcy register
• Review of full employment history seeking any explanation for gaps in employment
• Health questionnaire and occupational health clearance
• Values-based recruitment – the candidate’s understanding of the Trust’s and NHS values will be included as part of the interview process
• A search of the individual through internet search engines to note any relevant information in the public domain that may then be put to the candidate
• A self-declaration from the individual (Appendix 2)
• An explicit clause within the contract of employment/service level agreement to ensure the individual accepts the requirements of the Regulated Activity Regulations at the point they commence with the Trust.

5.2 All of the above will be recorded and held on the individual’s personal file.

6. Assessment of continued compliance

6.1 The Trust is responsible for ensuring the continued compliance of those persons to whom the Regulated Activities Regulations apply. It is intended this requirement will be fulfilled through a number of processes including:

• The completion of an annual self-declaration by all directors
• Introduction of annual checks for credit, bankruptcy and registration
• Formal appraisal processes
• Maintenance of the register of declared interests.
