Thank you for your reply. I have accessed the links which you have provided and am now aware that Peter Bradley is the Chief Executive however I require a postal address and an email address to be able to contact him.

Thank you,

Dear

The switchboard number is 020 7921 5100. Should a caller wish to speak to our CEO, they should ask for the Executive Office.

However Mr Bradley is not the Trust's information governance lead, if this is the purpose of your query, which I am assuming from your apparent post description. This responsibility is shared between a number of officers, depending on the particular context, but I would suggest contacting Mr Peter Suter, Director of IMT, details at the link previously provided. Contact details for our legal services department is available at:

http://www.londonambulance.nhs.uk/talking_with_us/solicitors_enquiries.aspx

The address of the Trust's Headquarters is: London Ambulance Service NHS Trust, 220 Waterloo Road, London SE1 8SD.

The generic email address for all employees is
[name][surname]@lond-amb.nhs.uk

I hope this will be of help.

Yours sincerely,
Gary Bassett
