Dear London Ambulance Service NHS Trust,

I am writing to request contact information for the person that is responsible for the training of qualified nurses within your hospital. This information needs to consist of name, address, contact number and email address. I also would like to request the annual budget spent on nurse qualifications (post registration qualifications).

Yours faithfully,

Dear

Thank you for your request for information, placed under the Freedom of Information Act (2000).

I can confirm that as an emergency, pre-hospital care provider we do not employ any nursing staff to act in this capacity. As such we naturally do not have any post nursing registration training programme nor any training budget in this respect.
