Dear Sir/ Madam,

Could you provide me with the statistics for A&E ambulances in the London Borough of Redbridge for the past 24 months.

The information I require is the total number of 999 calls taken to hospitals in the borough, and the split as to which hospital the patient was taken to.

I refer specifically to the area covered by Barking, Havering and Redbridge Hospitals NHS Trust.

If you are unable to directly respond with these statistics, please can you provide me with the email address of the person within your organisation who covers this topic.

Thanks in advance of your earliest response.
