

 	<p>The London Ambulance Service would like volunteers to join our Public Patient Council for people with a Learning Disability and Autistic people</p>
	<p>The council is to give advice on how the ambulance service can best support people with a learning disability or autistic people.</p>
	<p>It is to give feedback on how we achieve our strategy and projects we are completing.</p>

We will use different ways for you to give your opinions.

Group discussion

Writing

Drawing

You can come on your own

You can bring someone to support you

The council will meet every 3 months
